For the protection of the patient - This is not a valid release if not witnessed and if not entirely complete. This authorization is valid for 6 months unless revoked in writing. It cannot be revoked retroactively for information already released. Notice to patient: Thunderbird Internal Medicine utilizes a copy service to process medical records requests. Upon receipt of a HIPAA compliant release, requests may take up to 30 days to process depending on the type of request. Medical records will be sent to other doctors at no charge. If you wish a copy of your own medical records, there is no charge for the first copy of your complete chart or any continuing updates. Should you require additional copies of your entire medical record in the future there will be a fee to be paid in advance by the patient. There will also be a fee for insurance companies and attorneys requests to be paid in advance by the insurance company or attorney. In the event the insurance company or attorney will not pay the fee, it will be the responsibility and at the discretion of the patient, to pay the fee. **All fees are based on size of chart and staff time to process the request. In addition, there will be a $40 fee to be paid in advance by the patient for any forms that need to be completed by any of our physicians. A $55 fee will be paid in advance by the patient for any stat forms that need to be completed within 72 hours by any of our physicians.** If any portion of this authorization is returned incomplete, there will be a delay in the processing of this request until completion. I understand that if the recipient authorized to receive the information is not a covered entity, e.g. health insurance plan or health care provider, the release of information may no longer be protected by federal and state privacy regulations.
